

Capitalization of Your Venture

BIO Bootcamp Session 13

June 4, 2018

Session 13: Capitalization of Your Startup Venture

Session Description

Your startup requires constant, alert alignment with customers, investors and potential acquirer objectives and concerns – even if there is a pivot.

This session looks at the investor as the customer and aspects of various funding resources: their needs, timing and investment criteria.

Non-Dilutive Funding (NIH)
